On Saturday, February 9, 2019, the Algonquin-Lake in the Hills Fire Protection District hosted the Northern Illinois Food Bank mobile food pantry. From 9:30 a.m. to 11:30 a.m. volunteers from the Society of St. Vincent De Paul distributed food to residents in need from several local communities including Algonquin, Lake in the Hills, Harvard, Crystal Lake, Huntley, Carpentersville and McHenry. Both on-duty and off-duty members of the Algonquin-Lake in the Hills Fire Protection District assisted as well. Thanks to a generous donation made by the Algonquin Home Depot, the District's Public Education Division was able to pass out smoke and carbon monoxide detectors, medical information cards and important fire safety information to those who visited as well. The District will host future mobile food pantry events on a regular basis.
